

Lesson 2

Docket Type Directory

Directions *Answer the following questions using short answers. When you are finished, save a copy of the file to your computer. You will need to access this saved copy again for Lesson 6 - Combining PDF Pages.*

1. In which software application does *the Version 2 Alphabetical Document Type Directory* appear?
2. Which CSD form number applies to the **Notice of Change of Address**?
3. In the directory, find the **Motion for Relief from Stay (CSD 1160 & 1163) (fee)** document event. To which category would this document be filed?
4. What is the current revision date of the *Version 2 Alphabetical Document Type Directory*?
