In accordance with Federal Rule of Bankruptcy Procedure 1006, application is made for permission to pay the filing fee in three installments within 42 days of the date my petition is filed. First installment due at time petition is filed; second installment due within 21 days of petition file date; and third installment due within 42 days of petition file date. (check one):

I certify that I am unable to pay the filing fee except in installments and I understand the following:

I must pay my entire fee before I make any more payments or transfer any more property to an attorney, bankruptcy petition preparer, or anyone else for services in connection with my bankruptcy case.

I must pay the entire fee no later than 42 days after I first file for bankruptcy, unless the court later extends my deadline. My debts will not be discharged until my entire fee is paid.
