Official Form 101

Voluntary Petition for Individuals Filing for Bankruptcy

12/15

The bankruptcy forms use *you* and *Debtor 1* to refer to a debtor filing alone. A married couple may file a bankruptcy case together—called a *joint case*—and in joint cases, these forms use *you* to ask for information from both debtors. For example, if a form asks, “Do you own a car,” the answer would be *yes* if either debtor owns a car. When information is needed about the spouses separately, the form uses *Debtor 1* and *Debtor 2* to distinguish between them. In joint cases, one of the spouses must report information as *Debtor 1* and the other as *Debtor 2*. The same person must be *Debtor 1* in all of the forms.

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. If more space is needed, attach a separate sheet to this form. On the top of any additional pages, write your name and case number (if known). Answer every question.

I request that my fee be waived (You may request this option only if you are filing for Chapter 7. By law, a judge may, but is not required to, waive your fee, and may do so only if your income is less than 150% of the official poverty line that applies to your family size and you are unable to pay the fee in installments). Part 5: Explain Your Efforts to Receive a Briefing About Credit Counseling**15. Tell the court whether you have received a briefing about credit counseling.**

The law requires that you receive a briefing about credit counseling before you file for bankruptcy. You must truthfully check one of the following choices. If you cannot do so, you are not eligible to file.

If you file anyway, the court can dismiss your case, you will lose whatever filing fee you paid, and your creditors can begin collection activities again.

About Debtor 1:

You must check one:

- I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, and I received a certificate of completion.

Attach a copy of the certificate and the payment plan, if any, that you developed with the agency.

- I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, but I do not have a certificate of completion.

Within 14 days after you file this bankruptcy petition, you MUST file a copy of the certificate and payment plan, if any.

- I certify that I asked for credit counseling services from an approved agency, but was unable to obtain those services during the 7 days after I made my request, and exigent circumstances merit a 30-day temporary waiver of the requirement.

To ask for a 30-day temporary waiver of the requirement, attach a separate sheet explaining what efforts you made to obtain the briefing, why you were unable to obtain it before you filed for bankruptcy, and what exigent circumstances required you to file this case.

Your case may be dismissed if the court is dissatisfied with your reasons for not receiving a briefing before you filed for bankruptcy.

If the court is satisfied with your reasons, you must still receive a briefing within 30 days after you file. You must file a certificate from the approved agency, along with a copy of the payment plan you developed, if any. If you do not do so, your case may be dismissed.

Any extension of the 30-day deadline is granted only for cause and is limited to a maximum of 15 days.

- I am not required to receive a briefing about credit counseling because of:

Incapacity. I have a mental illness or a mental deficiency that makes me incapable of realizing or making rational decisions about finances.

Disability. My physical disability causes me to be unable to participate in a briefing in person, by phone, or through the internet, even after I reasonably tried to do so.

Active duty. I am currently on active military duty in a military combat zone.

If you believe you are not required to receive a briefing about credit counseling, you must file a motion for waiver of credit counseling with the court.

About Debtor 2 (Spouse Only in a Joint Case):

For you if you are filing this bankruptcy without an attorney

If you are represented by an attorney, you do not need to file this page.

The law allows you, as an individual, to represent yourself in bankruptcy court, but **you should understand that many people find it extremely difficult to represent themselves successfully. Because bankruptcy has long-term financial and legal consequences, you are strongly urged to hire a qualified attorney.**

To be successful, you must correctly file and handle your bankruptcy case. The rules are very technical, and a mistake or inaction may affect your rights. For example, your case may be dismissed because you did not file a required document, pay a fee on time, attend a meeting or hearing, or cooperate with the court, case trustee, U.S. trustee, bankruptcy administrator, or audit firm if your case is selected for audit. If that happens, you could lose your right to file another case, or you may lose protections, including the benefit of the automatic stay.

You must list all your property and debts in the schedules that you are required to file with the court. Even if you plan to pay a particular debt outside of your bankruptcy, you must list that debt in your schedules. If you do not list a debt, the debt may not be discharged. If you do not list property or properly claim it as exempt, you may not be able to keep the property. The judge can also deny you a discharge of all your debts if you do something dishonest in your bankruptcy case, such as destroying or hiding property, falsifying records, or lying. Individual bankruptcy cases are randomly audited to determine if debtors have been accurate, truthful, and complete. **Bankruptcy fraud is a serious crime; you could be fined and imprisoned.**

If you decide to file without an attorney, the court expects you to follow the rules as if you had hired an attorney. The court will not treat you differently because you are filing for yourself. To be successful, you must be familiar with the United States Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, and the local rules of the court in which your case is filed. You must also be familiar with any state exemption laws that apply.

Are you aware that filing for bankruptcy is a serious action with long-term financial and legal consequences?

- No
- Yes

Are you aware that bankruptcy fraud is a serious crime and that if your bankruptcy forms are inaccurate or incomplete, you could be fined or imprisoned?

- No
- Yes

Did you pay or agree to pay someone who is not an attorney to help you fill out your bankruptcy forms?

- No
- Yes. Name of Person _____

Attach *Bankruptcy Petition Preparer's Notice, Declaration, and Signature* (Official Form 119).

By signing here, I acknowledge that I understand the risks involved in filing without an attorney. I have read and understood this notice, and I am aware that filing a bankruptcy case without an attorney may cause me to lose my rights or property if I do not properly handle the case.

Schedule C: The Property You Claim as Exempt

04/16

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. Using the property you listed on *Schedule A/B: Property* (Official Form 106A/B) as your source, list the property that you claim as exempt. If more space is needed, fill out and attach to this page as many copies of *Part 2: Additional Page* as necessary. On the top of any additional pages, write your name and case number (if known).

For each item of property you claim as exempt, you must specify the amount of the exemption you claim. One way of doing so is to state a specific dollar amount as exempt. Alternatively, you may claim the full fair market value of the property being exempted up to the amount of any applicable statutory limit. Some exemptions—such as those for health aids, rights to receive certain benefits, and tax-exempt retirement funds—may be unlimited in dollar amount. However, if you claim an exemption of 100% of fair market value under a law that limits the exemption to a particular dollar amount and the value of the property is determined to exceed that amount, your exemption would be limited to the applicable statutory amount.

Part 1: Identify the Property You Claim as Exempt

Chapter 13 Statement of Your Current Monthly Income, Calculation of Commitment Period and Chapter 13 Calculation of Your Disposable Income (Official Forms 122C-1 and 122C-2)

If you are filing under chapter 7, 11, or 12, do not fill out this form.

Official Forms 122C-1 and 122C-2 determine the commitment period for your payments to creditors, how the amount you may be required to pay to creditors is established, and, in some situations, how much you must pay.

You must file the *Chapter 13 Statement of Your Current Monthly Income and Calculation of Commitment Period* (Official Form 122C-1) if you are an individual and you are filing under chapter 13. This form will report your current monthly income and determine whether your income is at or below the median income for households of the same size in your state. If your income is equal to or less than the median, you will not have to fill out the second form. Form 122C-1 also will determine your applicable *commitment period*—the time period for making payments to your creditors, unless the court orders otherwise.

If your income is above the median, you must file the second form, *Chapter 13 Calculation of Your Disposable Income* (Official Form 122C-2). The calculations on this form—sometimes called the *Means Test*—reduce your income by living expenses and payment of certain debts, resulting in an amount available to pay unsecured debts. Your

chapter 13 plan may be required to provide for payment of this amount toward unsecured debts.

Read each question carefully. You may not be required to answer every question on this form. The instructions will alert you if you may skip questions.

Some of the questions require you to go to other sources for information. In those cases, the form has instructions for where to find the information you need.

Generally, if you and your spouse are filing together, you should file one statement together.

Information for completing the forms

To fill out several lines of the forms, you must look up information provided on websites or from other sources. For information to complete line 16c of Form 122C-1 and lines 6-15, 30, and 36 of Form 122C-2, go to:

Chapter 13 Calculation of Your Disposable Income

04/16

To fill out this form, you will need your completed copy of *Chapter 13 Statement of Your Current Monthly Income and Calculation of Commitment Period (Official Form 122C-1)*.

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for being accurate. If more space is needed, attach a separate sheet to this form. Include the line number to which the additional information applies. On the top of any additional pages, write your name and case number (if known).

Part 1: Calculate Your Deductions from Your Income

The Internal Revenue Service (IRS) issues National and Local Standards for certain expense amounts. Use these amounts to answer the questions in lines 6-15. To find the IRS standards, go online using the link specified in the separate instructions for this form. This information may also be available at the bankruptcy clerk's office.

Deduct the expense amounts set out in lines 6-15 regardless of your actual expense. In later parts of the form, you will use some of your actual expenses if they are higher than the standards. Do not include any operating expenses that you subtracted from income in lines 5 and 6 of Form 122C-1, and do not deduct any amounts that you subtracted from your spouse's income in line 13 of Form 122C-1.

If your expenses differ from month to month, enter the average expense.

Note: Line numbers 1-4 are not used in this form. These numbers apply to information required by a similar form used in chapter 7 cases.

5. The number of people used in determining your deductions from income

Fill in the number of people who could be claimed as exemptions on your federal income tax return, plus the number of any additional dependents whom you support. This number may be different from the number of people in your household.

National Standards

You must use the IRS National Standards to answer the questions in lines 6-7.

6. Food, clothing, and other items: Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for food, clothing, and other items.

7. Out-of-pocket health care allowance: Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for out-of-pocket health care. The number of people is split into two categories—people who are under 65 and people who are 65 or older—because older people have a higher IRS allowance for health care costs. If your actual expenses are higher than this IRS amount, you may deduct the additional amount on line 22.

To answer the questions in lines 8-9, use the U.S. Trustee Program chart. To find the chart, go online using the link specified in the separate instructions for this form. This chart may also be available at the bankruptcy clerk's office.

**U.S. Bankruptcy Court
Southern District of California
325 West F Street
San Diego, CA 92101**

GUIDELINES FOR USING MANDATORY CHAPTER 13 PLAN

1. GENERAL PRINCIPLES

A. Purpose of Guidelines

The Southern District of California Bankruptcy Court has adopted a form chapter 13 plan to reduce debtors' legal expenses and to provide creditors the clearest possible explanation of how their claims will be treated in accordance with the law. These goals should at all times guide debtors in completing the plan. Use of the plan is required, and any questions about the plan can be raised with the Chapter 13 trustee.

These guidelines are offered to assist parties and counsel in completing the required form plan and do not have the force of law. Based upon the circumstances of a particular case, the Court may interpret the legal requirements of a given plan provision differently from what is stated in the guidelines.

B. Do Not Include Unnecessary Provisions

The plan uses as its platform the proposed National Plan, Official Form 113. The plan is a fillable document that contains many instructions, blanks, and choices for different provisions. All required information must be included, all necessary choices must be made, and optional provisions must be clearly designated.

C. Secured Creditor Identification Must Include Last Four Digits of Account Number

The plan must list each secured creditor by name and the last four digits of the account number, which should match debtors' schedules. The plan must also state with specificity what each creditor will or is likely to receive on its claim – how often payments will be made, when payments will start, how many payments will be made, and the amount of each payment.

D. Alteration of Standard-Form Language Prohibited

A major advantage of any standard form is that parties and the Court will become familiar with its language and will learn to find quickly and easily the information they seek. This advantage is lost, and creditors and the Court can be misled, if a party alters the plan's language or does not alert creditors and the Court to changes made. Thus the plan includes Part 9, which requires all non-standard provisions to be identified there.

Any failure to list a material alteration in the standard-form language could lead to negative consequences for the debtors.

2. **HOW TO DOWNLOAD THE PLAN**

The plan is available as a Microsoft Word Document (.docx) and may be downloaded from the Southern District of California Bankruptcy Court's website at:
http://www.casb.uscourts.gov/html/individual_forms.htm.

After downloading the plan, open the document in your word processing application.

Debtors should not change the font type or font size of the plan. The body text should be in 11-point Arial font.

3. **NAMING THE PLAN**

Caption. Insert the full name of each debtor exactly as it appears on the petition.

Case Number. Insert the full 7-digit case number followed by the initials of the judge assigned to the case and the number 13, for example, 12-34567-JJ13.

Date. The plan must be dated.

Page Number. The footer should contain a page number on each page.

4. **GUIDELINES FOR SPECIFIC PARTS OF THE PLAN**

A. Part 1: Notices

This part provides information on procedures for objecting to a plan and also apply to supplemental motions that must be brought for certain plan provisions.

Do not forget to check any box that might apply to:

- limiting the amount of a secured claim; or
- inclusion of a nonstandard provision

These sections also assist your clients in further notifying their creditors that the creditors' rights may be modified in the proposed plan.

B. Part 2: Plan Payments and Length of Plan

The plan must state the monthly payments proposed to be made to the trustee. Debtors must also affirm the applicable commitment period as being either 36 or 60 months in section 2.1. In the case of a below-median income earner, plan payments may exceed 36 months if necessary to perform the plan.

Section 2.2 allows debtors to propose step-ups for certain periods of time (e.g., plan payment step-up after repayment of a 401k loan or a vehicle loan that was paid outside the plan). All plan payment adjustments should be stated in section 2.2 and not in the "non-standard" provision section at the end of the plan.

Section 2.3 provides that debtors can opt to make payments either directly or through an

employment or payroll deduction order, which would be issued by the Court. Debtors' selection on how payments will be made does not preclude the trustee from asking the Court to issue an Employer Withholding Order if debtors miss plan payments.

Section 2.4 expands on additional payments coming from income tax refunds or whether debtors will retain such refunds. Committing future tax refunds as additional plan payments may create feasibility risks for the plan and should be carefully considered. The second option in Section 2.4 provides that debtors "will timely pay all post-confirmation tax liabilities directly to the appropriate taxing authority as they become due." This clause is intended to clarify that debtors remain responsible for: (a) the correct withholding allowance for wage earners; and (b) making sufficient quarterly income tax payments to the Internal Revenue Service and the California Franchise Tax Board. The filing of a post-petition claim by a taxing authority asserting liability under 11 U.S.C. § 1305(a) may be evidence of a plan breach and may also cause the plan to become infeasible. Debtors must pay these claims either through extra payments under the plan or by separate payments, as payment of this increase will not reduce the payment to the other unsecured creditors in the plan.

Section 2.5 allows debtors to propose additional periodic payments to the trustee beyond the monthly plan payment if necessary either to ensure: (a) that certain arrearage claims can be paid; or (b) payment of projected disposable income over the applicable commitment period. These irregular payments may come from commissions, bonuses, or sale of assets (e.g., real estate). Debtors may need to provide supporting documents to the trustee or to the Court if an objection is filed to the plan to validate these anticipated additional payments.

Section 2.6 requires debtors to calculate an aggregate sum of money anticipated to be paid to the trustee over the plan's life. This calculation will assist the Court in determining whether the plan is or will be feasible based on the estimated claims to be paid through the plan.

C. Part 3: Treatment of Secured Claims

Part 3 contains five different options for treatment of secured claims. The purpose of providing standard language for alternate treatments is to streamline debtors' selection of those various treatments and to make it easier for creditors to understand how their claims are being treated. Whether the trustee or debtors will make the payment must also be identified in certain sections of Part 3.

A secured claim should appear in only one section of Part 3.

Section 3.1

Section 3.1 is used when debtors intend to keep the property securing the claim, cure any pre-petition default over the plan term, and make all post-petition payments as they come due outside the bankruptcy, so that the loan is reinstated according to its original terms when the plan is completed. The trustee will only make the cure payments, but will not make either the ongoing payments to the creditor or adequate protection payments to them. The trustee will begin disbursements only after the plan is confirmed. Debtors should therefore continue to make both the regular payments and any required adequate

protection payments immediately after the case is filed.

A common objection to confirmation arises when there is a discrepancy between the estimated arrears identified by debtors and the arrears in the creditor's filed proof of claim. The third sentence of section 3.1 makes clear that a timely filed proof of claim controls over the amounts listed in the plan with respect to the arrearage. If this discrepancy is significant, however, the monthly plan payment on the arrearage may have to increase accordingly. In that event, a plan modification would need to be sought so that debtors' monthly payments are sufficient to cure the entire arrearage by the end of the plan. Debtors and their counsel should monitor the proofs of claim as they are filed to ensure the plan can be performed in accordance with its original terms. They should also carefully consider the effect of a loan modification if the arrearage amount changes after the plan is confirmed.

Section 3.2

Section 3.2 is used when the amount owed to the secured creditor exceeds the value of its collateral, and debtors intend to pay the amount equal to the value of creditor's collateral as a secured claim according to the plan's terms. Any remaining amount greater than the collateral's value should be treated as an unsecured claim in Part 5. This provision is not available for claims secured solely by debtors' principal residence, unless the lien in question is entirely unsecured.

Note that a separate motion must be brought if the collateral is real estate, but not if the collateral is personal property. Make sure that the proper box is checked in the plan.

For personal property secured claims where the collateral is valued under the plan, the arrearage is not separately paid since debtors will only pay the value of the collateral regardless of the arrearage.

If a personal property lease is also a secured claim, it should be addressed in Section 6.1. Arrears should be paid separately and in addition to ongoing lease payments.

The trustee or debtors must make adequate protection payments to creditors listed under this section in accordance with general orders of the court. Note that debtors who fail to timely make either adequate protection payments or their regular payments to the trustee risk the creditors claiming a default and seeking to foreclose on their collateral.

Section 3.3

Section 3.3 deals with secured claims excluded from 11 U.S.C. § 506 that will not be valued under the plan, although the interest rate and payment terms may be modified. These claims are specified in this section of the plan.

One example of such claims are those that may not by law be bifurcated into secured and unsecured portions under § 506(a), such as for claims secured by the debtors' principal residence where the value of the collateral is not less than the affected claim plus all senior liens.

Another example includes claims for which only the payment terms are restructured under the plan, such as by proposing a different interest rate than the contract rate for payment of the claim.

This section also applies to claims that debtors must pay in full (e.g., cars purchased less than 910 days before filing the petition or personal property purchased less than one year before the petition date) and that debtors seek to pay in full through the plan.

Finally, this section also applies to debts secured by debtors' residence that are fully due and payable.

A claim may be treated under Section 3.1 instead of Section 3.3 if no modifications of the terms are sought and only the arrearage is to be cured.

The trustee or debtors must make adequate protection payments under this section. Timely plan payments must be made to avoid default if trustee is designated to make the payments.

Section 3.4

Section 3.4 allows debtors to surrender the collateral to the secured creditor. In that event, debtors must also request that the automatic or co-debtor stays under 11 U.S.C. §§ 362(a) and 1301 be terminated with respect to the collateral surrendered. The trustee will not pay anything on these secured claims.

Surrender of the collateral may result in a deficiency claim filed once the creditor liquidates the collateral. Unless an objection is filed to the deficiency claim and is sustained, the trustee will treat the deficiency claim as an unsecured claim pursuant to Part 5 of the plan.

Section 3.5

This section should be used to identify claims that debtors do not want the trustee to pay, but which will be paid or otherwise handled by debtors or third parties outside the bankruptcy case.

Secured claims that are not to be impaired under the plan can be identified here. This might be the case where the secured claim is current and fully secured. If a debtor is the co-signor on a secured claim that another party directly pays and is current, this may be the proper section to use.

D. Part 4: Treatment of Priority Claims

This part provides for the treatment of administrative expenses such as trustee and attorney fees, as well as other claims entitled to priority status under 11 U.S.C. § 507 such as tax claims or employee wage claims.

Sections 4.1 and 4.2 provide that all allowed priority claims (other than those domestic support obligations treated in sections 4.4 and 4.5) will be paid in full, but without interest unless interest is required to be paid under law. Since the plan may be confirmed before the priority claims are filed, debtors and their counsel must monitor the filing of these

claims to ensure that plan performance remains feasible.

Section 4.5 provides for unassigned domestic support obligations. The trustee will pay the priority claim identified by naming the creditor and the amount of the claim, although the creditor's timely filed proof of claim will control if it states an amount different from what was estimated in the plan. Here as well, debtors and counsel must monitor these claims and either object to a wrongfully filed claim or file a claim for a domestic support obligation creditor to ensure all these claims are paid in full before the plan is completed.

Unassigned domestic support obligations must be paid or debtors will not receive their discharge. And failure to pay may constitute a breach of the plan.

Section 4.6 addresses *assigned* domestic support obligations and provides that these claims are paid at the same level as general unsecured claims. The plan may propose to pay less than the full amount of a domestic support obligation that has been assigned to or owed to a governmental unit, but not less than the amount that claim would have received in a chapter 7 liquidation.

Section 4.7 requires a statement of the attorney fees to be paid under the plan and should match the "unpaid balance of fees" as noted on the Disclosure of Compensation plus any anticipated guideline fees such as a motion to extend the automatic stay or a motion to value.

Debtors may agree with their counsel to payment of attorney fees through specified installments, instead of from the first payments available. This should be considered to ensure adequate protection payments are made to a secured lender whose monthly adequate protection payments would be delayed due to a substantial amount owing to debtor's counsel (e.g., a \$3,000 balance in attorney fees would be paid over ten months if the installment payment amount is \$300).

Section 4.8 deals with other priority claims identified in 11 U.S.C. § 507, including unsecured priority tax claims. The trustee will pay any allowed pre-petition priority claim that is not explicitly excluded from the plan in section 3.5. Priority income tax claims that disclose "estimated liability" or "under audit" for specific years may be paid in the amounts stated in later amendments. This could create performance problems under the plan if the amended claims are higher than expected. In this event, debtors and counsel should monitor the claims filed and seek a plan modification or other relief if necessary. An amended tax claim that reduces the amount due and leads to a refund request by the trustee may also delay the closing of the case.

E. Part 5: Non-Priority Unsecured Claims Not Separately Classified

Section 5.2 requires the trustee to adjust the payment percentage of the general unsecured creditors to account for claims that are filed in higher or lower amounts than scheduled. Regardless of whether the payment percentage changes, debtors must make the plan payments required for the entire applicable commitment period.

Debtors must calculate and state the amount that general unsecured creditors would receive if the case were hypothetically liquidated in a chapter 7 case. Generally stated, debtors must calculate the value of their property less secured claims, priority claims, exemption amounts, sales costs, and estimated chapter 7 costs of administration and pay

the general unsecured creditors at least as much as the remaining balance.

If unsecured creditors would be paid in full in a Chapter 7 liquidation, or if debtors retain disposable income, then interest to both priority and general unsecured creditors may be required under 11 U.S.C. §§ 1325(a)(4) or (b)(1). Otherwise, unless debtors separately classify a non-priority unsecured creditor's claim, interest is generally not paid on general unsecured or priority claims.

Section 5.5 of the plan recognizes that debtors may separately classify and provide special treatment for certain non-priority unsecured claims, such as student loan claims, so long as they can provide evidence to meet the legal requirement that the plan does not unfairly discriminate against non-priority unsecured creditors.

F. Part 6: Executory Contracts and Unexpired Leases

If debtors elect to assume an executory contract, including a car lease, this means they must maintain the ongoing payments outside of the plan and may cure any default under this Section. In that instance, debtors should check the box for Current Installment Payment to come from "Debtor." Debtors can also choose to have the trustee make the ongoing payments on the executory contract and pay the arrearage cure due under the contract or lease, but debtors will need to increase their plan payments to accommodate these payments to be made by the trustee.

Check the box "None" if no executory contracts are being assumed. If a contract or lease is not assumed, it will be rejected and not become part of the bankruptcy estate.

Note the arrears on a mortgage should not be listed in Part 6. Rather, debtors should use Section 3.1.

G. Part 7: Order of Distribution of Trustee Payments

As stated in the plan, the trustee will have discretion to determine the order of distribution within the requirements of applicable law and whether to reserve payment to claims that are subject to a pending objection.

H. Part 8: Vesting of Property of the Estate

This section provides that the estate property will remain in the estate and not revert in debtors until a chapter 13 discharge is granted or the case is dismissed or closed. For this reason, a motion must be filed for Court authorization if debtors seek to sell or refinance any material real or personal property before any of these events occur.

When the estate property reverts in debtors, it is reverted subject to all liens and encumbrances on that property at the time the case was filed, except for those liens avoided by Court order or extinguished by operation of law. Debtors must bring an appropriate motion or action to avoid liens that they seek to remove from their property.

If a motion to value property is granted but the case does not successfully close and is later dismissed, the affected lien remains on the property.

I. Part 9: Nonstandard Plan Provisions

This part gives debtors the opportunity to propose provisions that are not otherwise in the plan if:

1. The nonstandard provision is set forth in this section;
2. The appropriate box in part 1 is checked; and
3. The nonstandard provision complies with applicable law.

**Practice Pointers that Aid Timely Plan Completion and
Tools for Monitoring the Plan Post Confirmation**

A. Review the Notice of Claims Filed and Intent to Pay Claims

This report issued after confirmation and after the governmental bar date will let you know at a glance if the case will perform as desired.

i. For the cases confirmed before the bar date, this report is a timely recheck of the plan. A review of the report will identify if any secured creditors have failed to file a claim; the claim amount will be listed as \$0.00.

ii. If a claim secured by personal property was not provided for in the plan, such as a furniture claim, it will be listed as excluded.

B. Review the Trustee's Periodic Reports

The trustee also issues periodic reports to provide debtors with current information about their progress under the plan. Simple arithmetic will let you know if the plan is going to exceed 60 months. Debtors must review these reports to avoid surprises when the plan does not complete within the expected applicable commitment period. Excessive length may result from estimated claims based on unfiled tax returns, or from debtors not keeping their post-petition tax liabilities current.

C. Unfiled Tax Returns

If debtors have one or more years of unfiled federal income tax returns, the Internal Revenue Service will typically file a Proof of Claim based on "Estimated Liability," often estimated at the highest end of the range. Debtors should consider whether it would be expeditious to mail a duplicate original of the return (i.e., a copy of the outstanding return signed and dated in blue ink) to the local Special Procedures Branch. The original return should be sent to the regularly designated Service Center. Following review, the Internal Revenue Service will often file an amended Proof of Claim reflecting the amount actually assessed and this is generally lower than the Estimated Liability. To avoid overpayment on the secured or priority portion of the tax claim, the Chapter 13 Trustee may elect to disburse on the tax claim at a lower distribution level to avoid the delay in administration that is required if an overpayment collection letter is required.

D. Minimum Monthly Installment for Creditor and Caveat Concerning Interest

The recommended minimum monthly installment is \$25. This is based on the increased cost of postage and trustee's administrative overhead. Non-institutional creditors often take extra time to cash smaller checks and this delays case closing.

However, a small installment may be insufficient to fully amortize a claim entitled to interest under the plan or by statute. For example, the claim of a County Tax Collector in California will likely assert that interest must be paid at 18%. To ensure that the tax claim is fully amortized and timely paid, debtors should consider providing a specified installment payment on these claims if necessary.

To All Parties in Interest:

The court has provided guidelines for use of this form that can be found in CSD 1300A.

This plan does not provide for avoidance of a lien which impairs an exemption. This must be sought by separate motion.

To Debtors:

In some places this form provides you with options. You should carefully consider whether you need to elect among the options. If you do, you should carefully consider which option is appropriate.

In the following notice to creditors, you must check each box that applies.

To Creditors:

Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated.

You should read this plan carefully and discuss it with your attorney, if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation in accordance with Southern District of California Local Bankruptcy Rule 3015-5 within 7 days after the filing of the Notice of Meeting of Creditors Held and Concluded. Untimely objections may not be considered. Any such objections must be noticed for hearing at least 28 days after filing the objection. The Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015(f). In addition, you may need to file a timely proof of claim in order to be paid under any plan.

The following matters may be of particular importance to you.

Check all that apply.

- The plan seeks to limit the amount of a secured claim, as set out in Part 3, Section 3.2, which may result in a partial payment or no payment at all to the secured creditor.**
- The plan sets out nonstandard provisions in Part 9.**

Part 2: Plan Payments and Length of Plan

2.1 Regular payments.

Debtor(s) will make regular payments to the trustee as follows:

\$ _____ per _____ for 60 months (Applicable commitment period for above median debtor(s))

\$ _____ per _____ for _____ months (Despite applicable commitment period of 36 months, debtor(s) seek additional time to cure secured or priority arrearage. If fewer than 60 months of payments are required, additional monthly payments will be made to the extent necessary to make the payments to creditors specified in Parts 3 through 6 of this plan. If the debtor(s) fail to make these additional payments, the plan will go into default.)

2.2 Irregular payments.

Debtor(s) will change the payment amount at different time periods as follows:

Debtor(s) will supply the trustee with federal and state tax returns filed during the plan term and will turn over to the trustee a portion of any federal and state income tax refunds received during the plan term as specified below.

- Debtor(s) will make additional payment(s) to the trustee from other sources, as specified below. Describe the source, estimated amount, and date of each anticipated payment.

2.6 The total amount of estimated payments to the trustee provided for in §§ 2.1 through 2.5 is

Part 3: Treatment of Secured Claims

3.1 Maintenance of payments and cure of any default.

Check one.

- None.** *If "None" is checked, the rest of § 3.1 need not be completed or reproduced.*
- The debtor(s) will maintain the contractual installment payments on the claims listed below, with any changes required by the applicable contract, and cure any default in payments on the secured claims listed below. The allowed claim for any arrearage amount will be paid under the plan, with interest, if any, at the rate stated. Unless otherwise ordered by the court, the amounts listed on a proof of claim or amended proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) control over any contrary amounts listed below. A tardily filed proof of claim will be disallowed unless it is estimated below or unless the debtor(s) brings a motion to allow the claim. If relief from the automatic stay is ordered as to any item of collateral listed in this paragraph, then, unless otherwise ordered by the court, all payments under this paragraph as to that collateral will cease and all secured claims based on that collateral will no longer be treated by the plan. The final column includes only payments disbursed by the trustee rather than by the debtor.

Name of creditor with last 4 digits of account number	Collateral	Amount of arrearage	Interest rate on arrearage (if applicable)	Monthly plan payment on arrearage	Estimated total payments by trustee
		\$	%	\$	\$
		\$	%	\$	\$
		\$	%	\$	\$

Insert additional claims as needed.

3.2 Request for valuation of security and claim modification.

To determine the proper valuation of real estate secured claims, the debtor(s) must timely file a motion in accordance with Local Bankruptcy Rule 3015-8 in addition to including the creditor in this section of the plan. No such motion is necessary for valuation determinations for personal property secured claims.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan unless the claim is entitled to priority status, in which case it will be provided in Part 4. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan. Unless otherwise ordered by the court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

The holder of any claim listed below as having value in the column headed *Amount of secured claim* will retain the lien until the earlier of the following events as applicable to the particular secured creditor: 1) payment of the underlying debt determined under nonbankruptcy law; 2) discharge under 11 U.S.C. § 1328, or 3) completion of payments under the plan if the debtors(s) are not entitled to a discharge. After the date applicable to termination of the lien, it will be released by the creditor unless the claim is a nondischargeable claim owed to a governmental entity. See Local Bankruptcy Rule 3015-8.

Check one.

None. If "None" is checked, the rest of § 3.2 need not be completed or reproduced.

The remainder of this paragraph will be effective only if the applicable box in Part 1 of this plan is checked.

The debtor(s) request that the court determine the value of the secured claims to be treated in the manner below. For each non-governmental secured claim listed below, the debtor(s) state that the value of the secured claim should be as stated below in the column headed *Amount of secured claim*. For secured claims of governmental units, unless otherwise ordered by the court pursuant to a claim objection, the amounts listed in proofs of claim filed in accordance with the Bankruptcy Rules control over any contrary amounts listed below. For each listed secured claim, the controlling amount of the claim will be paid in full under the plan with interest at the rate stated below.

3.2.1 Identify creditor and collateral.

- None.** If "None" is checked, the rest of § 3.3 need not be completed or reproduced.
- The claims listed below were either:
- (1) secured by real estate and matured pre-petition;
 - (2) secured by real estate and will mature during the term of the plan;
 - (3) incurred within 910 days before the petition date and secured by a purchase money security interest in a motor vehicle acquired for the personal use of the debtor(s); or
 - (4) incurred within 1 year of the petition date and secured by a purchase money security interest in any other property of value.

These claims will be paid in full under the plan with interest at the rate stated below. Unless otherwise ordered by the court, the claim amount stated on a proof of claim or modification of a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) controls over any contrary amount listed below. The final column includes only payments disbursed by the trustee rather than by the debtor.

Part 4: Treatment of Priority Claims

4.1 Treatment of priority claims.

All allowed priority claims other than those treated in §§ 4.5 and 4.6 of the plan will be paid in full without interest.

4.2 Interest exception.

If the plan provides interest to unsecured nonpriority creditors, that same rate of interest will be paid to all creditors for which interest is not otherwise specifically provided under this plan.

4.3 Trustee's fees.

The trustee will receive a fee, the percentage of which is set by the United States Trustee in accordance with applicable law. The trustee's fees are estimated to be _____ % of plan payments; and during the plan term, they are estimated to total \$ _____.

4.4 Adequate protection payments.

The trustee will make pre-confirmation adequate protection payments to secured creditor, identified in General Order 175-E, from plan payments received from the debtor(s), as this order may be amended from time to time.

4.5 Domestic support obligations.

Part 5: Treatment of Nonpriority Unsecured Claims

5.1 General.

Nonpriority unsecured claims will be paid to the extent allowed as specified in this Part.

5.2 Nonpriority unsecured claims not separately classified.

Allowed nonpriority unsecured claims that are not separately classified in this plan will be paid, pro rata, all funds remaining after payment of all other creditors provided under the plan. Payments to unsecured creditors will be allowed to the extent paid if an allowed amended, late filed, or late added claim reduces the amount available to unsecured creditors under this section.

Based upon the total payments to the trustee listed in § 2.6 of the plan, minus the payments under the plan on the claims scheduled by the debtor(s) that are provided for in §§ 3.1 through 3.3, Part 4, §§ 5.3 through 5.5, and Part 6 of the plan, the estimated payment to allowed nonpriority unsecured claims not separately classified under the plan is \$ _____. This amount will be shared on a pro-rata basis on these claims. This amount will not be reduced by claims arising under 11 U.S.C. § 1305 and §§ 507(a)(1)(A) and (B) that are not fully addressed in the plan, but may otherwise increase or decrease.

If the estate of the debtor(s) were liquidated under chapter 7, nonpriority unsecured claims would be paid approximately \$ _____. The total of the payments on allowed nonpriority unsecured claims will be made in at least this amount.
