

Important Note regarding

Form B 23

(Debtor's Certification of Completion of Postpetition Instructional Course concerning Personal Financial Management)

Personal Financial Management Course Provider

Form B 23 – Debtor's Certification of Completion of Postpetition Instructional Course Concerning Personal Financial Management is amended to reflect the amendment of Rule 1007(b)(7). The amended rule allows an approved provider of a personal financial management course to notify the court directly of the debtor's course completion. Approved providers filing the certificate of completion need not file a B 23 form – only the certificate. Debtors and attorneys for debtors still are required to file Form B 23, along with the certificate.
