

Programmer/Systems Administrator

U.S. Bankruptcy Court Southern District of California

Salary:

CL-28/29 \$61,069 - \$118,074 (depending on qualifications).

Promotional potential to the CL-29 levels without further competition.

Posting Dates:

Tuesday, October 27, 2015 until position is filled

The U.S. Bankruptcy Court for the Southern District of California, located in downtown San Diego seeks a full-time permanent experienced professional with a successful background in systems administration. The ideal candidate will be a self-starter with demonstrated analytical and problem solving skills, professional demeanor, and ability to exercise sound judgment; will have excellent interpersonal and communication skills, both oral and written; and excellent organizational skills, including ability to manage multiple high impact projects and priorities within strict deadlines in a fast paced environment.

The position provides technical support and process evaluation and improvement to the staff and operations of the Bankruptcy Court. The incumbent reports to and assists the Information Systems Manager in the design and implementation of automated information management

Representative Duties

The Programmer/Systems Administrator is the primary support for database structures, including Informix, which is vital to our entire operation. The incumbent designs, develops and supports application software and takes a lead role involving software development with multiple programming languages. The Programmer/Systems Administrator Installs, configures, maintains and supports our centralized, web-based bankruptcy court case management/electronic case filing system (CM/ECF). The Programmer/Systems Administrator troubleshoots systems, provides end-user support, customize CM/ECF application by creating and modifying the data dictionary, testing, installation and documentation of new releases of applications and operating system software as required, and administer application and database security.

Duties and Responsibilities

Please refer to the position description.

Minimum Qualifications

- Minimum of a high school diploma or the equivalent.
- Must be a U.S. citizen or eligible to work in the United States.
- Expertise in programming structures, languages, testing, and documentation techniques.
- Ability to analyze, evaluate, and determine automation needs including planning to implement systems to meet those needs.
- Experience in the development and support of application software developed in one or more object oriented languages such as Java, Perl and/or Javascript.
- Solid working knowledge of Red Hat Linux operating system and the Informix RDBMS including shell operations/scripting.

Preferred Qualifications

- Any experience or exposure with Java Server Faces, java Persistence Architecture, Hibernate and Web Services, IBM Web Sphere Portal, SAP business Objects for custom reports and Adobe HTML for PDF generation.
- Progressively responsible experience related to the technical aspects of information technology, office automation, data communications and their applications, terminology and methodology, including the accomplishment of computer project assignments that involve systems analysis, design, implementation, integration and management.
- Completion of a Computer Science Bachelor's Degree.

Employee Benefits

The United States Bankruptcy Court is part of the Judicial Branch of the United States Government. Court employees are covered by the Court Personnel System (CPS), considered at-will and are not covered by federal civil service classifications or regulations, but they are entitled to the same benefits as other federal employees.

Benefits include:

- 13 days paid vacation for the first three years of employment, 20 days after three years, 26 days after fifteen years;
- 13 days paid sick leave per year;
- 10 paid national holidays per year;
- Flexible work schedules;
- Choice of medical, dental and vision coverage from a wide variety of plans;
- Pre-tax programs (health, dependent care, and transportation);
- Life Insurance options;
- Federal Employees Retirement System;
- Matching Retirement Program.

Information for Applicants

As a condition of employment, the selected candidate must successfully complete a ten-year background investigation and every five years thereafter will be subject to an updated investigation similar to the initial one.

This position is open to all qualified individuals. Applicants must be U.S. citizens or eligible to work in the United States.

Employees are required to use the Electronic Fund Transfer (EFT) for payroll direct deposit.

How to Apply

Preferred method – submit your cover letter and resume as one PDF file through the court's website at <http://www.casb.uscourts.gov/html/jobs.htm>.

The United States Bankruptcy Court reserves the right to amend the conditions of this job vacancy announcement, or to withdraw the announcement at any time without prior written or other notice.
