22 Some time ago. Back when the debtor was appearing *pro se*,  
23 the Court took under submission motions filed by debtor and by  
24 one of the defendants. Since that time, debtor has employed  
25 counsel. At subsequent status conferences, counsel for the  
26 parties have appeared and represented to the Court that they were

1 working on global settlement and, accordingly, were requesting  
2 further continuances.

3 To date, the Court has not been notified of any such  
4 resolution of the case. Given the passage of time and that the  
5 Court is unable to ascertain what, if anything, the parties need  
6 from the still-pending motions, the Court has determined to take  
7 those matters off calendar, without prejudice to any party  
8 applying to restore any such motion to the Court's active  
9 calendar upon properly noticed motion, made after obtaining a  
10 hearing date from the Court's Courtroom Deputy.

11 Accordingly, all matters in this adversary proceeding which  
12 are presently under submission shall be an hereby are taken off  
13 calendar and are no longer under submission.

14 IT IS SO ORDERED.
