

To: My colleagues and staff at the U.S. Bankruptcy Court, Southern District of California, my fellow judges in this and other districts, and my friends and acquaintances in the practice of law

After 38 years of service as a bankruptcy judge for the Southern District of California, I have decided to retire, effective June 30, 2022. I make this decision with feelings of excitement for the future and satisfaction and pride with what has gone before. During my tenure, I have endeavored to serve my community with fairness and justice. I am looking forward to unscheduled time to travel, garden, read, and visit family and friends...all those things one postpones, limits or curtails while working full-time. I will remember you with fondness and a sincere wish that our paths will cross again.

A handwritten signature in black ink that reads "Louise De Carl Adler". The signature is written in a cursive, flowing style.

Louise De Carl Adler

U.S. Bankruptcy Judge

Southern District of California
