Mandatory Chapter 13 Plan

Dated: _____

Part 1: Notices

To All Parties in Interest:

The court has provided guidelines for use of this form that can be found in CSD 1300A. This plan does not provide for avoidance of a lien which impairs an exemption. This must be sought by separate motion.

To Debtors:

In some places this form provides you with options. You should carefully consider whether you need to elect among the options. If you do, you should carefully consider which option is appropriate.

In the following notice to creditors, you must check each box that applies.

To Creditors:

Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated.

You should read this plan carefully and discuss it with your attorney, if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation in accordance with Southern District of California Local Bankruptcy Rule 3015-5 within 7 days after the filing of the Notice of Meeting of Creditors Held and Concluded. Untimely objections may not be considered. Any such objections must be noticed for hearing at least 28 days after filing the objection. The Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015(f). In addition, you may need to file a timely proof of claim in order to be paid under any plan.

The following matters may be of particular importance. *Debtors must check one box on each line to state whether or not the plan includes each of the following items. If an item is checked as "Not Included" or if both boxes are checked, the provision will be ineffective if set out later in the plan.*

Check one. If neither box is checked, "None" applies.

- None.** *If "None" is checked, the rest of § 3.1 need not be completed or reproduced.*
- The debtor(s) will maintain the contractual installment payments on the claims listed below, with any changes required by the applicable contract, and cure any default in payments on the secured claims listed below. The allowed claim for any arrearage amount will be paid under the plan, with interest, if any, at the rate stated. Unless otherwise ordered by the court, the amounts listed on a proof of claim or amended proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) control over any contrary amounts listed below. A tardily filed proof of claim will be disallowed unless it is estimated below or unless the debtor(s) brings a motion to allow the claim. If relief from the automatic stay is ordered as to any item of collateral listed in this paragraph, then, unless otherwise ordered by the court, all payments under this paragraph as to that collateral will cease and all secured claims based on that collateral will no longer be treated by the plan. The final column includes only payments disbursed by the trustee rather than by the debtor.

Name of creditor with last 4 digits of account number	Collateral	Amount of arrearage	Interest rate on arrearage (if applicable)	Monthly plan payment on arrearage	Estimated total payments by trustee
		\$	%	\$	\$
		\$	%	\$	\$
		\$	%	\$	\$

Insert additional claims as needed.

3.2 Request for valuation of security and claim modification.

To determine the proper valuation of real estate secured claims, the debtor(s) must timely file a motion in accordance with Local Bankruptcy Rule 3015-8 in addition to including the creditor in this section of the plan. No such motion is necessary for valuation determinations for personal property secured claims.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan unless the claim is entitled to priority status, in which case it will be provided in Part 4. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan. Unless otherwise ordered by the court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

The holder of any claim listed below as having value in the column headed *Amount of secured claim* will retain the lien until the earlier of the following events as applicable to the particular secured creditor: 1) payment of the underlying debt determined under nonbankruptcy law; 2) discharge under 11 U.S.C. § 1328, or 3) completion of payments under the plan if the debtors(s) are not entitled to a discharge. After the date applicable to termination of the lien, it will be released by the creditor unless the claim is a nondischargeable claim owed to a governmental entity. See Local Bankruptcy Rule 3015-8.

Check one. If neither box is checked, "None" applies.

None. If "None" is checked, the rest of § 3.2 need not be completed or reproduced.

The remainder of this paragraph will be effective only if the applicable box in Part 1 of this plan is checked.

The debtor(s) request that the court determine the value of the secured claims to be treated in the manner below. For each non-governmental secured claim listed below, the debtor(s) state that the value of the secured claim should be as stated below in the column headed *Amount of secured claim*. For secured claims of governmental units, unless otherwise ordered by the court pursuant to a claim objection, the amounts listed in proofs of claim filed in accordance with the Bankruptcy Rules control over any contrary amounts listed below. For each listed secured claim, the controlling amount of the claim will be paid in full under the plan with interest at the rate stated below.

3.2.1 Identify creditor and collateral.

Name of creditor with last 4 digits of account number	Estimated amount of creditor's allowed secured claim	Collateral	Value of collateral	Amount of claims senior to creditor's allowed secured claim

These claims will be paid in full under the plan with interest at the rate stated below. Unless otherwise ordered by the court, the claim amount stated on a proof of claim or modification of a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) controls over any contrary amount listed below. The final column includes only payments disbursed by the trustee rather than by the debtor.

Name of creditor with last 4 digits of account number	Collateral	Amount of claim	Interest rate	Monthly payment	Estimated total payments
		\$	%	\$	\$
